

Dress Code

For the safety and enjoyment of all classes/rehearsals we kindly ask students to abide by the following dress code:

- Loose, comfortable clothing that allows for easy movement (ex. Athletic clothing, leggings).
- Closed toed and comfortable shoes should be worn to all class's rehearsals (dance or jazz shoes, athletic sneakers).
- Dresses and skirts that don't restrict movement are allowed, please wear shorts or leggings underneath.
- Dress rehearsal and performances often call for additional dress code needs that will be clearly communicated with each performance as needed. Specifically, "solids" such as dark colored pants and tank top that allows for quick costume changes and dark shoes (dance, jazz or athletic sneaker).
